Rigid Regulations Proposed For Sale And Use Of Poisonous Dusts And Sprays In Agricultural Areas

Florida State Board Of Health Representatives Meets With Growers And Insecticide Dealers In Glades-Wide Meeting To Discuss Regulations As They Are Proposed.

Frank Wilson of the Florida State Board of Health met with growers and insecticides dealers at the Community Building in Canal Point Tuesday afternoon to discuss the rigid rules and regulations proposed by the State to regulate the sale and use of poisonous dusts and sprays.

Naturally, when a vote was taken to find out the feeling of the group they voted overwhelmingly against the proposals. However, due to deaths throughout the state from such poisonous insecticides, the State Board of Health and the State Agricultural Department are determined that something must be done and that immediately.

Application for Permits:

A. No person shall purchase a restricted-use pesticide unless he has obtained a Purchaser's Permit.
B. Every applicant to receive a Purchaser's Permit operating in agriculture and related fields, shall be 21 years of age, must be able to read and write sufficiently well to understand the laws and regulations which govern this activity, and shall apply to the county health department for an application questionnaire form. The form is to be filled out by the applicant and notarized before final presentation. The county health officer or his designated agent will check the application to determine if the individual is engaged in agriculture or related fields, such as, caretaker of golf courses, cemeteries, parks and botanical gardens and related pursuits. The county health officer, after determining that the individual is in fact operating in agriculture or a related field, will sign or stamp the application form. Otherwise, the application shall be rejected.
C. Upon approval of the application by the county health officer or his designated representative, the applicant shall then be issued a permit, which will be a wallet-sized and numbered identification card, which must be in the possession of the person when making purchases directly and or when purchasing over the telephone, or by written order. The seller shall be responsible for sales made over the telephone and in writing. In all instances, the seller shall be given the permit number, name and address of the purchaser. When the order is placed by telephone, the seller is to make delivery to the address requested by the permit holder. The permit holder may purchase restricted-use pesticides by letter by recording his name, address and permit number, provided the seller is to make direct delivery or is assured of the authenticity of the name, address and permit number.

The burden of proof in such cases shall rest with the seller.

D. The Purchaser's Permit is not transferrable.

Sales Permit Holder:

A. Every person who shall manufacture, formulate, and or offer for sale to the general public, for application to crops, plants, trees, lawns, shrubs and for use in any other business, or to be used in agricultural areas or residential areas, any restricted or prohibited-use pesticide, as recorded on a list and made available by the Board, shall be required to make application and receive a Seller's Permit from the Board.

B. No manufacturer, formulator, and or seller of a restricted or prohibited-use pesticide shall sell any pesticide so recorded on a list furnished by the Board to any person, individual, agent, partnership, corporation, or association unless such person shall have a Purchaser's Permit or a special permit issued by the county health officer to an individual person to spray his own lawn or ornamentals in a residential area.

C. No other person shall be eligible to purchase a restricted or prohibited-use pesticide unless said person shall have a proper permit for making the specific purchase.

D. The manufacturer, formulator or seller shall record the purchaser's name, address and Purchaser's Permit number and the seller's permit number on the sale or delivery slip, or invoice, or statement on every purchase made. A copy of any one of these documents for each purchase, designating the amount and name of the restricted-use or prohibited-use pesticide purchased shall be kept on file. A copy of one of the four documents, with the pertinent information, shall be kept by the seller for a period of at least one year after date of sale before it can be destroyed, and a copy of one of the documents shall be kept by the purchaser for a period of one year after date of purchase. The original permit issued by the county health department to the individual person purchasing a restricted-use pesticide only, for spraying his individual premises in a residential area shall also be kept by the purchaser until all of the restricted-use pesticide is used or applied.

Personal Protection:

I. All individuals applying restricted or prohibited-use pesticides shall be constantly warned as to the dangers involved. No Person Shall Remove From Any Area For Personal or Home Use Any Pesticide Without Written Approval Of The Permit Holder.

Sugar Acreage Is Wide Open In 1962

The Department of Agriculture has announced that no restrictions on acreage of sugarcane for the 1962-crop will be imposed. O. P. McArthur, State Executive Director for Agricultural Stabilization and Conservation Service, states that the announcement was made at this time in order that growers of sugarcane for sugar may make orderly plans.

This the third successive year that no restrictions have been imposed, according to McArthur. As a result of lifting the restrictions in 1959, a major expansion in the Mainland Sugarcane Area (Louisiana and Florida) has resulted. The tonnage available for harvest this season is about 32 percent greater than last season.

In announcing that no restrictions would be applied in 1962, the Department warned that the major expansion which is taking place will probably result in the need for applying acreage restrictions on the 1963-crop even though a material increase in the marketing quota for the Mainland Cane Area is provided by new sugar legislation.

Sugarcane for sugar is produced in Glades, Hendry, Indian River, and Palm Beach Counties, Florida. Two new sugar factories begin operations this fall in Florida and several more new factories intend to operate by late 1962. Prior to this time, the only Florida factories were located at Clewiston, Okeechawee, and Fellsmead.

Baptist Feature Asian Missions

ORLANDO—Missions in Southeast Asia will be featured on the program of the Florida Baptist Convention meeting at the First Baptist Church, Orlando, November 14-16, according to Dr. Henry Allen Parker, convention program chairman and host church pastor.

Dr. Winston Crawley, secretary for the Orient, of the Foreign Mission Board of the Southern Baptist Convention, will speak on foreign missions with particular emphasis to Southeast Asia. Crawley will bring greetings from the 1543 Southern Baptist foreign missionaries in 47 foreign countries. These missionaries are supported through the convention's cooperative program.

Other out-of-state speakers appearing on the program include C. E. Autrey, Atlanta; Floyd B. Chaffin, Dallas; T. Guy Sloane, Jr., New Orleans; Charles Howard, Buies Creek, North Carolina; Howard E. Kerahner, New York City; Albert McClellan, Nashville; and Ralph Phelps, Arkadelphia, Ark.

Harry McIntosh Has An Operation

Harry McIntosh, president of Bank of Pahokee, is recuperating at Good Samaritan hospital in West Palm Beach following back surgery on Monday afternoon of this week. Mr. McIntosh has been in the hospital for a couple of weeks and his physicians found it necessary to operate on Monday. He is doing fairly well.

C. P. Garden Club To Sponsor Bazaar

Next Thursday afternoon between two and six o'clock you are cordially invited to attend the BAZAAR sponsored by the Canal Point Garden Club at the Community Building in Canal Point.

Don't forget the date—Thursday, November 16. Bring along a pocketbook full of coin of the realm and go away happy with one or a dozen of the many handsome items to be put on sale by members of the club. If you are seeking information about the upcoming sale, just step to the phone and call Mrs. M. C. Carter at 2732—she's the president.

The writer has had opportunity to personally inspect many of the items to be offered for sale. He pronounces them unusual, attractive, worthwhile, well worth the money and a dozen and one other adjectives all of an enthusiastic and descriptive type.

On sale next Thursday will be aprons, foot stools, pin cushions, stuffed animals, gadgets and a hundred and one other items, including many, many flower and shrubbery arrangements. The majority of these items are being made by members of the Canal Point Garden Club on workdays at the Community building. Come along and see first hand just what the ladies have for sale.

Coffee, pie and cake will be served throughout the afternoon. So, you can have your coffee break at the Community Building for the regular price of a dime a cup. It'll be good too.

Civil Defense Is Given PTA Okeh

The Canal Point P. T. A. voted, Monday evening, to sponsor a C. D. course to be taught by Henry Williams of Belle Glade.

All adults interested in this course please report Tuesday, Nov. 14 at 7 p. m. in the school cafeteria.

Mr. Williams is a sixth grade teacher in Belle Glade Elementary School. Tuesday evening will be spent in organizing the Civil Defense project in this community.

Two Incumbents Win, One Defeated

In Tuesday's school trustee election, A. R. Harrington of Canal Point was re-elected without opposition. He tallied 4,129 votes. Larry Myers of Lake Worth won his race by the skin of his teeth when he defeated T. F. Wyatt by a vote of 3189 to 2988. Jimmy Nemec went down in defeat at the hands of G. Ray Sparks in West Palm Beach. The vote was 4107 to 2743.

Voters overwhelmingly turned down a three-mill special tax levy for building new classrooms.

In a light turnout vote—only 8,000 of 89,000 eligible citizens cast their ballots—the electors picked as school trustees A. Roswell Harrington, Lawrence W. Myers and G. Ray Sparks.

But the most significant result of the election was failure to approve the three-mill levy, which would have provided a fund with which to buy new school sites, build new schools and classrooms and pay for their maintenance.

Howell Watkins, county superintendent of Schools, said money for the badly needed additional schoolrooms can't be made up in some other manner, such as borrowing from another account.

"It means we're going to have more double sessions," he said. He said there was a possibility the school board may miss out on state matching funds because of the defeat of the tax levy.

The five-mill levy for the district trust and maintenance fund was approved, 3,053 votes to 850, with only one precinct not counted. Forty-eight precincts voted in the election.

Funeral Services Mrs. Ralph Mock

Funeral services were held on October 31, for Mrs. Ralph Mock of West Palm Beach and burial was made in Hillcrest Cemetery with Rev. James R. Crook of the Wagg Memorial Methodist church officiating.

Mr. and Mrs. Mock are former residents of Canal Point where he operated a filling station near the drug store for years. Mrs. Mock died suddenly after suffering from high blood pressure for several years. Their many friends in this area will extend sympathy to Mr. Mock who is operator of a service station in West Palm Beach.

Mrs. B. R. Mosley of Pahokee, became ill, last Thursday while attending the District 10 annual Woman's Club meeting in Vero Beach, and was hospitalized there over night.

Both girls are students at Jones Business College in Orlando.

Seacrest Next On Fri., November 17

Seacrest High School of Delray Beach is next on the Pahokee Blue Devils schedule and that comes on Friday night, November 17. The Devils have an open date this week and will take a well earned rest.

Following the Seacrest game on Friday night, the Blue Devils will battle the Belle Glade Golden Rams on Wednesday, November 22, (Thanksgiving Eve) for the Bill Young Cup. This game is always a toss up, no matter what kind of records the two teams have during the season.

Pahokee High racked up its seventh win of the grid season Friday with a 25-6 job on old rival Okeechobee.

The Blue Devils used the same formula which has been successful throughout the season, (with one exception), a crunching ground game (214 yards) a stellar passing attack (120 yards), and tough defense.

Skipper Peacock swept 8 yards to cap a first quarter drive and put the Devils on the victory trail. In the second, John Russom took a pitchout and passed 24 yards to Jim Vandegrift for a score. It was Russom's eighth straight completion this season.

Both squads scored in the third. Harold Peacock hitting Vandegrift with an 11-yard toss early in the period, and Russ Osceola scooting 30 yards for Okeechobee's score. It was the longest run against Pahokee's defense all season.

In the fourth, Harold Peacock went in from the 4 to end the TD barrage and Skipper ran the extra point. Pahokee had a 17-10 first down advantage, and Skipper Peacock led the runners with 120 yards.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Col. Kirkman Gets Legion Award

TALLAHASSEE—Colonel H. N. Kirkman, Director of the Department of Public Safety has been presented with an American Legion National award for his policy of hiring veterans and disabled persons.

The certificate of appreciation said in part that Colonel Kirkman was so recognized because of his "outstanding policy in the employment of physically handicapped veterans."

The award was made by Sam A. McCollum of St. Petersburg, Florida Departmental Commander of the Legion at a meeting of district Florida Highway Patrol Legion Auxiliary members here.

W. B. Mackall of St. Petersburg, State Chairman of the Legion's Education and Employment Committee, said that the award is usually given to a firm, company, corporation or agency which employs the handicapped veteran. This is the first time it has been awarded an individual.

He said an exception in the case of Florida this year was in appreciation for the outstanding record of Colonel Kirkman who directs the employment of all of the department's personnel. The department is composed of the Florida Highway Patrol and the Driver's License Division.

Out of a total 1,039 persons employed, there are 524 veterans and 49 handicapped. These figures include members of the Florida Highway Patrol, Radio Operators, Examiners, clerical and secretarial and all other civilian employees of the department whose sprawling organization reaches from Pensacola to Key West.

Colonel Kirkman is a veteran of World Wars I and II, a holder of the Legion of Merit award for service in World War II. He served overseas for 38 months.

Public Relations Meeting In Tampa

TAMPA—Some 200 public relations counselors will converge on Tampa early next month to inaugurate the first Public Relations Institute of the Florida Public Relations Association.

Planned as a "preview" of future institutes, this year's gathering will be a one-day session of classroom study on the campus of University of South Florida. Future institutes will consist of a week's duration on the campus of one of Florida's universities if the "preview" meeting is successful.

Held in conjunction with the annual convention of FPRA at the Hillsboro Hotel, the institute will be under the direction of Roger Stake, Tourist Services Director of the Florida Development Commission. Outstanding personalities in the public relations field have been invited to act as instructors at the day-long session.

Stake announced, "Non-members of FPRA are cordially invited to attend the convention and Institute, which we feel will be outstanding. The three day convention will be packed full of educational sessions designed to provide a clear picture of public relations as it is practiced in Florida."

Van Wilson New President 4-H Club

The Canal Point Boys 4-H Club met Thursday at 1:00 p. m., November 2, with 41 members present.

Kent Price, the County Agricultural Agent helped the club elect the new officers. Vann Wilson was elected the President; along with Terry Hall, Vice President; Bobby Tucker, Secretary; Mike McCall, County Delegate; Teddy McCall, Reporter, and Ronnie Paige, Song Leader.

Projects were discussed and Mr. Price distributed the club record books and instructed the members in the way they should be kept. The meeting was adjourned at 2:00 p. m. with a song led by Ronnie Paige.

Needle Is Given State Politics

GAINESVILLE—Florida political figures are still reeling under the lamppooning they received by Univ. of Florida law students during Homecoming festivities at the University.

Gov. Farris Bryant and Fred O. Dickinson, Jr., received the brunt of the attack which was, of course

all in fun. Also rapped hard were Secretary of State Tom Adams and Development Commission Chairman Wendell Jarrard.

Former governor Millard Caldwell received his share of kidding, as did Senator George Smathers because of his Latin American interest. Also on the list was State Senator W. C. (Cliff) Herrell and State Representative George Stallings.

Bryant was kidded about his European trip while Jarrard was noted for his Florida promotions. Adams and Dickinson were singled out for their political ambitions.

Faith Sasser Wins Stetson Election

Miss Faith Sasser, daughter of Mr. and Mrs. Paul Sasser of Pahokee, has been elected for vice-president of the Junior Class at Stetson University. In the first election she tied with Bev. Graham in which four candidates were running. Last week in the run-off election she won by a large majority of the votes.

Thomas (Timmy) Herring, young son of Mr. and Mrs. C. W. Herring, of Pahokee returned home last Monday from St. Marys Hospital in West Palm Beach.

*"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unrelenting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support!

"Where you are a stranger but one"

Christian Science Group Of Canal Point

The indestructible relationship

of God and man will be explained

at Christian Science services Sunday

in a Lesson-Sermon on the subject

"Mortals and Immortals."

These words of Paul will be included

in the readings from the Bible:

"The Spirit itself beareth witness

with our spirit, that we are the children

of God: And if children, then heirs; heirs

of God, and joint-heirs with Christ; if so

be that we suffer with him, that we may

also be glorified together" (Rom. 8).

A correlative citation from "Science

and Health with Key to the Scriptures"

by Mary Baker Eddy states: "It is only

by acknowledging the supremacy of Spirit,

which annuls the claims of matter, that

mortals can lay off mortality and find

the indiscoverable spiritual link which

establishes man forever in the divine

likeness, inseparable from his creator" (p. 491).

Philippians Meet With Mrs. Hobson

The Philippians Class of the Canal Point Baptist Church met Tuesday evening at the home of Mrs. Bill Hobson, teacher, with Mrs. Paul Rardin presiding over the business of electing officers.

Mrs. J. E. Williams was elected the new president along with Mrs. J. L. McCall as vice president; Mrs. Cecil Clark was elected as secretary and treasurer.

Members drew names for secret pairs. The class voted to hold quarterly class meetings instead of regular monthly meetings. A gift was presented by Mrs. J. L. McCall to Mrs. Grady Echols (former teacher), for loyal and untiring efforts in the past years.

Mrs. J. H. Strayer gave the devotional. After the business meeting delicious refreshments were served by the hostess to 12 members.

SUNBEAMS MEET

The Sunbeams and Girls Auxiliary classes of the Canal Point Baptist Church met Tuesday at 3 p. m. in the church. Mrs. Roy Brantley and Mrs. Guy Thompson are leaders of the Sunbeams. Mrs. J. H. Strayer is the G. A. Leader. Both classes are making good progress and each week new members are added to the groups.

Local PTA Meeting Held Monday Eve

Canal Point P. T. A. met Monday evening in the school cafeteria, with Mrs. W. E. McCall, president presiding. Mrs. Lewis Hayes opened the meeting with the devotional and was joined by the members in repeating the Lords Prayer.

The P. T. A. voted to buy badges and helmets for the school patrol boys. Also to send a thank you note to Mr. Reese, the Ventriquist, for his program at the Halloween Carnival.

Mr. and Mrs. Joe Cherry, Halloween Carnival chairman, reported a profit of \$359.69. Door prizes were won by Skipper Lanham, Charley Barfield, Philip Maxson and Mrs. Joe Kent Carr. These prizes were donated by the following "local stores: Canal Point Department Store, Canal Point Pharmacy, Echols Grocery and Sears Hardware. Their report was concluded with a special thanks to everyone in the community for their part in making the carnival a success.

Henry Williams, 6th grade teacher of Belle Glade Elementary School, was the guest speaker and was introduced by Mrs. Larick, Program Chairman. He talked on Civil Defense and gave information on the types of shelters suitable for this area, also, how the radio active burns should be treated. After his talk the P. T. A. voted to sponsor a course in C. D. with him as an instructor. Classes to meet once a week in the cafeteria.

Room count was won by Billy Huddle, fourth grade room.

Hostesses for the social hour were Mrs. Fred Kinsaul, Mrs. Monk Jackson and Mrs. Earl Wilson.

Women Attend Vero Beach Meet

Members of the Pahokee Women's Club were represented at the District 10 annual meeting Thursday in Vero Beach by Mrs. B. R. Mosley, president; Mrs. M. P. Stanley, 1st vice president; Mrs. Wiley Tillis, secretary. Mrs. Stanley served as a teller during the meeting.

State officers headed by Mrs. M. Lewis Hall, president who is making a tour of the state, were guests at the meeting. Mrs. Hall announced that Mrs. Addison P. Drummon of Lakeland has resigned as first vice president and Mrs. J. R. Glover of Lakeland, has been elected by the board of directors to finish out her term of office. Mrs. Mark W. Emmel of Gainesville will serve as second vice president, with Mrs. James Porter Tyner of Plant City as state treasurer.

A complete report of this year's work was given by each club president in the district. They stressed that the "best informed and educated club women attend State, County Board and General Federation Womens Club meetings and Conventions."

Club District Chairman also reported on the club activities at the meeting. Mrs. Wells Tolson of Ft. Pierce was elected District Director and the Stuart Woman's Club was selected as the meeting place for 1962 District meeting.

4-H Clubbers Hold Regular Meeting

The Canal Point Girls 4-H Club met Thursday at 10:00 a. m. to 2:00 p. m. with Nancy Harrington, presiding. Maxine Treet read devotions and led in the 4-H pledge. Shirley Trett and Sylvia Martin led the group in songs.

Maxine, also, gave a report on the County Council Meeting held November 2 in West Palm Beach. Secretary called the roll and read the minutes of the last meeting.

Miss Lo Pinto gave some good points on giving demonstrations, after which Vicki Haggins and Brenda Ingram volunteered to give a demonstration at the next meeting. Jo Anne Parker Club Reporter.

Mrs. Marjorie Branch Sorority Hostess

Mrs. Marjorie Branch was hostess for the meeting of the Beta Omicron Chapter of Beta Sigma Phi Sorority Thursday, Nov. 2, at her home in Pahokee.

The pledge ritual was conferred on the group's five pledgers, Mrs. Virginia Collier, Mrs. Shelia Ames, Mrs. Lovda Newton, Mrs. Sue Crawford and Mrs. Barbara Pope. Mrs. Walter Naason of the Xi Beta Tau Chapter, conducted the rituals. Mrs. Louise Zaccagnino, president, conducted the business meeting and appointed Mrs. Nina Hatton, Publicity Chairman and Mrs. Marilyn Potete, the chapters alternate representative to the city council, both to fill the vacancies left by the resignation of Mrs. Laura Hatton.

Mrs. Marjorie Branch, social chairman, announced the next social will be a progressive dinner held Nov. 16.

Following the business meeting, Mrs. Marion Hatton presented a program "The History of the Dress", after which refreshments were served by the hostess.

5,497 Folks Receive October State Aid

Thomas E. Penick of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 5497 persons were assisted in the four categories of public assistance for the month of October, 1961.

A total of 1,846 persons received Old Age Assistance in the amount of \$84,481.00. 95 persons received Aid to the Blind, totaling \$5,694.00. 854 families, representing 2,619 children, received Aid to Dependent Children in the amount of \$53,676.00. 289 persons received Aid to the Disabled in the amount of \$16,098.00.

In addition 311 children received service during the month. 192 of whom were in foster homes. The total state and local cost for these child welfare services was \$11,807.51.

There were 8 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placing agency, and the Welfare Board is responsible according to law to make these reports to the court.

Heart Clinic For The Entire Glades

The Heart Clinic at the Belle Glade Memorial Hospital now takes care of 93 welfare patients on alternate Thursday mornings at 8:00 a. m. Six of these patients are children with a heart condition.

The Heart Clinic is sponsored by the Heart Association of Palm Beach and Martin Counties. Patients come from the entire Glades area, from Canal Point to Lake Harbor.

The doctors who give their time in serving on the Heart Clinic are all on the staff at the Belle Glade Memorial Hospital: Dr. J. Allen Baker, Dr. Roy W. Brown, Dr. John Crady, Dr. James A. Gray, Dr. Hoke Shirley, Jr., Dr. W. O. Norville, and Dr. Frank Tudela.

The pharmacists who also donate their time are: Hubert A. Danese, Danny Wallis and W. A. Wooten, Jr. They have filled 530 prescriptions this year. The drugs are supplied by the Welfare Department.

The lab technicians who do all the EKGs, Chest X-rays, and blood work are Jimmy Cason and Miss Priscilla Tuhy.

The Hospital Auxiliary volunteers are Mrs. Frank Dooley, Mrs. Dick Poston, Mrs. Guy Wood and Mrs. Irvin Zumpf.

Harrington Visit Monticello Relatives

Mrs. J. S. Harrington, accompanied by her son, Donald Harrington, both of Port Mayaca, drove up to Monticello last Friday and are the house guests of her son-in-law and daughter, Judge and Mrs. Kenneth E. Cooksey and family.

Mr. Harrington returned home early this week. His mother plans to remain in Monticello and also visit relatives in South Georgia before returning home.

Betty Johnson In Farm Bureau Contest

W. E. Johnson, accompanied by his daughter, Miss Betty Johnson, of Canal Point, returned home Tuesday from the Farm Bureau Convention held in Miami Beach. They spent Sunday night through Monday at the Bracelona Hotel where Miss Johnson represented the Everglades Farm Bureau as a contestant in the State Talent Find Contest at the State Convention. Governor Bryant and Senator Holland spoke at the Convention. The winner of the contest will be announced later.

Lower Freight Rates Possible

The possibility of lower freight rates between the Belle Glade area and coastal points from West Palm Beach to Key West looked brighter last week when the motor carriers offered to lower the rate-making bases to a more reasonable level. Also included were lower rates between West Palm Beach and West Coast points.

The previous bases, or mileages, were based on rail mileages which far exceeded the actual highway mileages used by the truck lines. This has been costing the merchants and citizens of Palm Beach County an estimated \$7,000 per year.

A public hearing will be held before the Florida Intrastate Rate Bureau in Jacksonville this Thursday. The Palm Beach County Freight Traffic Bureau introduced a proposal to reduce these charges last year, and will be represented at the hearing by its Assistant Director, Dwight Green.

The proposed reductions will be discussed and other areas where similar inequities still exist will be presented for correction.

Long Range Plan For Stetson Univ.

A Long Range Planning Committee for Stetson University's fortune has been appointed as a special committee responsible to the Board of Trustees, President J. Ollie Edmunds announced today.

The committee will be charged with making a long range study of the University. It will outline University needs and the steps that should be taken in order that Stetson may "discharge its responsibility as a Christian college during the fast changing period that lies ahead."

In addition to President Edmunds, the group is composed of three trustees, the academic and student deans, the business manager, and two representatives each from students, faculty, alumni, the city of DeLand, and the Florida Baptist Convention.

Dr. Goodrich C. White, consultant of the Association of American Colleges, will sit in with the committee at its first meeting sometime the latter part of this month.

Attend Juvenile Judge Court Meeting

Mrs. Louis Davis, Mrs. B. R. Mosley, Mrs. Frank Baxter, Mrs. M. P. Stanley (all of Pahokee) attended a Juvenile Judge Court Meeting, Tuesday 10:00 through lunch, at the Florida School for Boys in Okeechobee.

At this South Florida Court Meeting thirteen Judges and representatives from Florida Federation Womens Club, were present representing their counties. Reports were heard from the Judges concerning the bill of legislation to be offered to the next session of the Legislature for the "After Care Program of the State."

Tools Are Stolen In Canal Point

Last weekend Arnold J. Scruggs' pickup truck was Robber of all his mechanical tools while parked in front of his new home on first street in Canal Point.

He kept his tools in chests on the body of the truck, as he did extra work on tractors for several farmers. He estimated his loss as over \$100.00 of end-wrenches and other tools.

The theft was discovered Monday morning when he went to get a wrench from his truck for a neighbor. Deputy Sheriff Frank Rozelle was called to the scene.

GARDEN CLUB BAZAAR

The Garden Club "Bazaar" with baked goods, fancy work, and toys will be held Nov. 16 from 2 to 6 p. m. in the Community Hall. The Bazaar is sponsored by the Canal Point Garden Club. An eye catching display of home made baked goods, fancy aprons, soft cuddly cloth animals, potted plants, and other items which will make nice Christmas presents.

Dr. Sam Mosley, 54, Is Heart Victim

Dr. Samuel Moseley, 54, died suddenly Thursday of a heart attack suffered on the Coral-Gables golf course in the presence of several other doctors.

He is survived by his wife, Elizabeth Stuckey Moseley, one son, Robert Moseley and a daughter, Janet, all of Coral Gables.

Funeral services were held Saturday A. M. in Van-Orsdel/Funeral Home Chapel in Coral Gables.

Among those attending the funeral were Mrs. Gertrude Wilson, Mrs. Karl Kolstad and Mrs. Adeline Stuckey, all of Pahokee.
